

# Angel in the Snow

**Elliott Smith**

I'd say you make a perfect  
Angel in the snow  
All crushed out on the way you are  
Better stop before it goes too far  
Don't you know that I love you  
Sometimes I feel like only a cold still life  
That fell down here to lay beside you  
Don't you know that I love you  
Sometimes I feel like only a cold still life  
Only a frozen still life  
That fell down here to lay beside you
