One Son Gone

STAMPEAD

mother says sing me a happy song
say I canâ€™t ma
I been here for too long
my brain is tired

got a dream, some hope
and a pocket full of dope
got a dream and some hope and
no place to go
I suppose Iâ€™m wasting all my time
stuck on a rhyme
that makes sense to no one but me
please ma, tell me Iâ€™m not crazy

and tell me you donâ€™t believe
say you donâ€™t say

Iâ€™m just one son gone
who never was around
got his head in the clouds
thinkâ€™s heâ€™s gods son
singing songs for everyone
this oneâ€™s for you but itâ€™s
mostly for me
just want to see what I can do

and dad says son donâ€™t be like me
get an education
be somebody, something I could never be
but you donâ€™t understand itâ€™s not for me
there are things I could never be

and tell me you donâ€™t believe
say you donâ€™t say

Iâ€™m just one son gone
who never was around
got his head in the clouds
thinkâ€™s heâ€™s gods son
singing songs for everyone

this oneâ€™s for you but itâ€™s
mostly for me
just want to see what I can do

and mother says
sing me a happy song
give me a chance ma
give me a chance
it will all come to me
