

Promise Her The Moon

Mr. Big

You don't know what you got
Till the love is almost gone
This time she's given up
Still in a state of shock
I should have seen it coming on
It's too late for waking up Her mind's made up I know
The dream is over
But my heart just can't let go She's too good to be forgotten
Too good to be true
Before my world is torn apart
I'll promise her the moon
I'll promise her the moon
I'll promise her the moon I was too blind to notice her
Wrapped up in myself
Working hard overtime, night and day
I thought we were so secure
Can't imagine someone else
Could come between us and take her away Her mind's made up I know
The dream is over
But my heart just can't let go She's too good to be forgotten
Too good to be true
Before my world is torn apart
I'll promise her the moon
I'll promise her the moon
I'll promise her the moon And all the times that she stood by me
I never said I love you
But I kept it deep down in my soul
And all the while I've been a fool
