

# Far Away

## 12 Stones

Something keeps on pulling me down  
And I feel like I'm losing ground,  
Trying just to find my reasons  
And losing sense of what is real

Willing to believe in something,  
Forgetting to believe in me  
Will I find my place in your mind  
Or will I fall away in time?

Now I'm feeling so far away  
And now I'm hating you everyday

Waiting just to see the end,  
As you follow down that road again  
Trying just to find your purpose,  
You're fading faster everyday

Willing to believe in something  
Forgetting to believe in me  
Will I find my place in your mind  
Or will I fall away in time?

Now I'm feeling so far away  
And now I'm hating you everyday

Now I'm feeling...

Now, I feel I'm losing time  
And yesterday slipped away,  
When you didn't move  
And time and time, again  
You wanted more than I had to give  
And leave me with nothing

I'm waiting and dreaming  
Yesterday slipped away,  
When you didn't move  
No more waiting,

Let me back

Now I'm feeling so far away  
And now I'm hating you everyday

Now I'm feeling so far away  
And now I'm hating you everyday

Now I'm feeling  
so far away!  
so far away!  
so far away!
