Strike

Gorky Park

Got no excuse NET You shake it up DA
Can't step aside NET When hit is up DA
No one's away NET It just began DA
Ain't gonna wait NET Move it come on DA
Can't loose your hit NET You loose your mind DA
Can't feel your feet NET Your body grinds DA
Got no control NET Your body choose DA
But don't blow it up NET You've got the fuse DA
Come on come on don't stop it now baby baby
Come on come on you strike so hard baby yeah
STRIKE STRIKE THE WAY YOU LIKE
Can't get away NET Stuck to the beat DA
Can't get it stopped NET Slave to the rhythm DA
Can't get enough NET Hungry to move DA
You strike to my heart NET
When you've got a groove DA
