

First Dance

Justin Bieber

It's your chance take her hand to the floor (when I walk to the floor)
Girl if you see something you like then let him know
'Cause you only got one chance, for your first dance
Yeah you never forget your first dance
So take advantage of the slow dance When I close my eyes I see me and you at the prom,
We've both been waiting so long
For this day to come
Now that it's here lets make it special
I can't deny
There's so many thoughts in my mind
The DJ's playing my favorite song ain't no chaperon's this could be
The night of our dreams Only if you give, give the first dance to me
Girl I promise I'll be gentle, I know we gotta do it slowly
If you give, give your first dance to me
I'm gonna cherish every moment,
It only happens once, once in a life time I couldn't ask for more, we're rockin' back and forth
Under the disco ball, we're the only ones on the floor
(I can't deny), so many thoughts in my mind
The DJ's playing my favorite song, now we're all alone, here's the opportunity Only if you give, give the first
dance to me
Girl I promise I'll be gentle, I know we gotta do it slowly
If you give, give your first dance to me
I'm gonna cherish every moment,
It only happens once, once in a lifetime Everybody says that we look cute together lets make this a night
The two of us remember, no teachers around to see us dancin' close
I'm tellin' you our parents will never know
Before the lights go up and the music turns off
Now's the perfect time for me to taste your lip gloss,
Your glass slippers in my hand right here, we'll
Make it before the clock strikes nine If you just give, give the first dance to me
Girl I promise I'll be gentle but we gotta do it slowly
If you give, give the first dance to me we'll cherish every moment,
It only happens once, once in a lifetime Girl if you see something you like then let him know
'Cause you only got one chance for your first dance
Yeah you never forget your first dance
So take advantage of the slow dance If you give, give the first dance to me
I'm gonna cherish every moment
'Cause it only happens, once in a lifetime
