Tonight

Spoken

Until now I've never been so lost
Never felt so alone
Can I make it on my own
So tell me what's it gonna take
To open up my eyes
Can you make me feel aliveStill searching for the answers
The meaning of it all
Try to find my way
Try to find it allTonight I feel so alive
Tonight I leave it all behind
But I feel so alive tonight
Tonight I found the will to fight
And I know it's gonna take some time
But I feel so alive tonight
So alive tonight
Struggle to survive
And all the reasons why
I thrown into the fire
And I felt stronger every day
Hands reaching for the sky
I am aliveStill searching for the answers
The meaning of it all
Try to find my way
Try to find it allTonight I feel so alive
Tonight I leave it all behind
But I feel so alive tonight
Tonight I found the will to fight
And I know it's gonna take some time
But I feel so alive tonight
So alive tonight
Take all the reasons why you're thrown in the fire
Till not a plate of time and throw it all awayTonight I feel so alive
Tonight I leave it all behind
But I feel so alive tonight
Tonight I found the will to fight
And I know it's gonna take some time
But I feel so alive tonight
So alive tonightStill searching for the answers
The meaning of it all

Try to find my way
Try to find it all
