Come Undone

Adrenaline Mob

Mine, immaculate dream, made breath and skin, I've been waiting for you,
Signed, with a home tattoo, Happy birthday to you was created for you.
Can't ever keep from falling apart.. At the seams
Can't I believe you're taking my heart.. to pieces
Ahh, it'll take a little time, might take a little crime to come undone
Now we'll try to stay blind, to the hope and fear outside,
Hey child, stay wilder than the wind
And blow me in to cry.
Who do you need?
Who do you love?
When you come undone.
Who do you need?
Who do you love?
When you come undone.
Words, playing me deja vu, Like a radio tune I swear I've heard before,
Chill, is it something real, Or the magic I'm feeding off your fingers
Can't ever keep from falling apart.. at the seams
Can I believe you're taking my heart.. to pieces
Lost, in a snow filled sky, we'll make it alright, to come undone,
Now we'll try to stay blind, to the hope and fear outside,
Hey child, stay wilder than the wind -
And blow me in to cry.
Who do you need?
Who do you love?
When you come undone.
Who do you need?
Who do you love?
When you come undone.
Who do you need?
Who do you love?
When you come undone.
(Can't ever keep from falling apart..)
Who do you need?
Who do you love?
When you come undone.
(Can I believe you're taking my heart..)
When you come undone.
(Can't ever keep from falling apart..)
When you come undone.

(Can I believe you're taking my heart..)
When you come undone.
When you come undone.
