Falling to Black

Sully Erna

How could have I ever known,
That you were meant to be mine all along
You seem to think that I came and taught you something
But it was you I feel that was sent to me
And now I believeEven though I can't touch you
Even though I can't hold you
I'll stand by your side
Till everything goes by
Till everything is passed
I'm falling to blackAnd now I sit here and pray
Oh how I can't wait
To taste you one day
For all those things we've ever done
I beg you give us a chance
To prove our love
And swallow up the sun
And live as oneI beg even though I can't touch you
Even though I can't hold you
I'll stand by your side
Till everything goes by
Till everything is passed
I'm falling to blackEven though I can't touch you
Even though I can't hold you
I'll stand by your side
Till everything goes by
Till everything is passed
I'm falling to blackI'm falling to black, falling to black
I'm falling to black, falling to black
