

Nothing Compares 2 U

Capital Cities

It's been seven hours and fifteen days
Since you took your love away
I go out every night and sleep all day
Since you took your love away Since you've been gone I can do whatever I want
I can see whomever I choose
I can eat my dinner in a fancy restaurant
But nothing, I said nothing can take away these blues 'Cause nothing compares
Nothing compares to you (2x) It's been so lonely without you here
Like a bird without a song
Nothing can stop these lonely tears from falling
Tell me, baby, where did I go wrong? I went to the doctor and guess what she told me?
Guess what she told me?
She said: boy, you better try to have fun
No matter what you do
But she's a fool 'Cause nothing compares
Nothing compares to you (4x)
