

Do You Wear the Mark

[Danzig](#)

Advisory - the following lyrics contain explicit language:

Devil on my left
An angel on my right
There's no mistake
Who I'll be with tonight Then over in the fore
A lamb's head on my lap
Days pass like weeks
Without the sight Then comes
The fury of the lullaby
Then comes
The fury of the lullaby And heartbeat in a hole
An eyeball loose and wild
Droppin' memories
Out upon the open tiles And over to the left
There sit the loveless ones
Crying slowly
And sucking on a gun Then comes
The fury of the lullaby
Then comes
The fury of my lullaby Then Do you wear the mark?
Do you wear the mark?
Darlin', darlin'
Do you wear the mark? Darlin', do you wear the mark?
Darlin', do you wear in the dark?
Darlin', darlin' do you wear the mark?
