

# Cuttin' Headz

## Ol' Dirty Bastard

Here it is  
Where's it at?  
In the back  
Got a stackThe Dirty Bastard  
Yo you Bastard flip the phat track  
Here I go, here I go whether friend, whether foe  
Let them know that I flow over the rainbowHit the deck  
Aw, yep, ch-ch plow from the Tek  
Takin' heads, takin' necks  
What the fuck they expect?I don't know  
I don't care  
I won't fall  
I won't stare at a ho 'less I know that I'm going to the moT-t-tel, cause I'm lousy, technique is drowsy  
Stop tryin' to foul me sayin' that we're lousy  
But I'm a tyrant, defiant, walkin New York Giant  
President of the WuBut I'm also a client  
It's the Wu, what, you knew what, you do what, what, who, what, what  
I don't give a flying fuck  
About a chump 'cause this heart only pumps Kool-Aid  
Snatch a kid by the braids and cut his head offRhymes is rugged like burnt buildings in Harlem  
The Ol' Dirty Bastard from the Temple of Shaolin  
Dirty to the brain like drops of acid rain  
Clang, clang, clang, rhymes pluckin' at your brainSo take a sip from the cup of death  
And when you're shaking my right hand, I'll stab you with the left  
Red alert! Red alert!  
Ason comin' straight from the dirtOnce I go berserk, mad brothers got hurt  
Nothin' new in ninety-two, it's time to do the work  
Trails of vatos scream once I hop on the scene  
And fear the return of the fatal flying guillotineMr. Milli, that means I'm also militant  
Don't wear no suit and tie, I'm no gentleman  
Gettin laid, takin heads, that's my hobby  
Punch a brother in the face who call me RobbieI be the RZA, call me that 'cuz I  
Never liked the name I recieved from my poppa  
Dirty deluxe, yo, I'm huntin' for ducks  
Snatchin' devils up by the hair then cut his head offHere it is  
Where's it at?  
In the back  
Gotta splitHere it is  
Where's it at?

In the back  
Gotta splitHere it is  
Where's it at?  
In the back  
Gotta splitHere it is  
Where's it at?  
In the back  
Gotta splitHere it is  
Where's it at?  
In the back  
Gotta splitHere it is  
Where's it at?  
In the back  
Gotta splitHere it is  
Where's it at?  
In the back  
Gotta split
