If Wishes Were Kisses

Perry Como

If wishes were kisses, I'd still be kissing you
I'd hold you in my arms again the way I used to do
If wishes were kisses, how happy I would beI'd always have you close to me to thrill me through and through
If dreamers were schemers, I'd make my dream come true
If wishes were kisses, I'd still be kissing youIf wishes were kisses, how happy I would be
I'd always have you close to me to thrill me through and through
If dreamers were schemers, I'd make my dream come true
If wishes were kisses, I'd still be kissing you
