

# If Wishes Were Kisses

Perry Como

If wishes were kisses, I'd still be kissing you  
I'd hold you in my arms again the way I used to do  
If wishes were kisses, how happy I would be I'd always have you close to me to thrill me through and through  
If dreamers were schemers, I'd make my dream come true  
If wishes were kisses, I'd still be kissing you If wishes were kisses, how happy I would be  
I'd always have you close to me to thrill me through and through  
If dreamers were schemers, I'd make my dream come true  
If wishes were kisses, I'd still be kissing you
