All My Fault

The Hounds Below

I guess we've had our fun but it seems our fun is over now
And that's all right
It's all right
Time for me to move along and after all is said and done
And I'll be all right
And it's all right
Tell me somethin' that's sure to break my heart
'Cause everything's my fault
And I know
I deserve to be alone
'Cause everything's my fault
Here we go again, unsuccessful to make amends
But that's all right
And it's all right
I've tried as hard as I can but I can't, can't seem to understand
And that's all right
And it's all right
Tell me somethin' that's sure to break my heart
'Cause everything's my fault
And I know
I deserve to be alone
'Cause everything's my fault
I guess it's over now, your honesty has all run out
But that's all right
And it's all right
I just can't seem to see how the hell you can make believe
That it's all right
And it's all right
Tell me somethin' that's sure to break my heart
'Cause everything's my fault
And I know
I deserve to be alone
'Cause everything's my fault
And everything's my fault
And everything's my fault
And everything's my fault
Everything's my fault
