

All My Love

Cover Drive

Wherever you, you are
I wanna be right beside ya
I can't deny the truth (ooooh ahhhh)
Can't take my eyes off you baby
You're so amazing...
I know it sounds a little bit pathetic
Nobody else gonna get it
I don't care
As long as you want all my love
All my love
All my love
I'm always gonna be here rocking all my love
All my love
All my love
I'm always gonna be rocking all my la la love
Lala lalala love
La la love
Lala lalala love
Every day, oh I ah ah
I need a fix of your lovin'
Addicted to all you are
You're the one, I want the world to see
You're the only man for me
I know it sounds a little bit pathetic
Nobody else gonna get it
I don't care
As long as you want all my love
All my love
All my love
I'm always gonna be here rocking all my love
All my love
All my love
I'm always gonna be rocking all my la la love
Lala lalala love
La la love

Lala lalala love
If ya ever been in love
If ya ever been loved say yo oh oh

If ya ever been in love
If ya ever been loved say yo oh oh oh
If ya ever been in love
If ya ever been loved say yo oh oh
If ya ever been in love
If ya ever been loved say yo oh oh oh
All my love
All my love
All my love
I'm always gonna be here rocking all my love
All my love
All my love
I'm always gonna be rocking all my la la love (la la la)
Lala lalala love
La la love (la la la)
Lala lalala love
All my love
If ya ever been in love
If ya ever been loved say yo oh oh
All my love
If ya ever been in love
If ya ever been loved say yo oh oh oh
All my love
If ya ever been in love
If ya ever been loved say yo oh oh
All my love
If ya ever been in love
If ya ever been loved say yo oh oh oh
All my love
La la love (la la la)
Lala lalala love
