Pocket Full Of Change (2003 Digital Remaster)

Rain Tree Crow

She brings me water
"Sweeter than wine"
Lost in a moment
SummertimeCounting the hours
Beating out time
Shallow as any heart I could hope to findMove with the water
Drift with the tide
With no regrets to keep the ghosts alive
But when she smiles
She smiles for me
She smiles for meLife runs out like a pocket full of change
Time runs out like a pocket full of changeHere comes the morning
Blind and tired
Pulled by the undertow
This world of mineThis world of mine
But when she cries
She cries for me
She cries for meLife runs out like a pocket full of change
Time runs out like a pocket full of change
