

# Replacement Girl (feat. Trey Songz)

Drake

Ladies make some noise if you wanna be my replacement  
Let me show you what it is  
I was birthed up top but was raised at the bottom of the map  
Where the girls all thick and the hottest niggas rap  
If you lookin for the good then we got in the trap like  
Ooo wee  
Took 'em from white snakes to  
Ooo wee  
This metaphor might sound a little confusing but  
Y'all don't really know me if you know me  
I done come all way from the Days Inn and all the hotels that I  
stayed in  
I took my lifestyle from mediocre to good and now I say it's sittin' at amazing  
Girls tryin SoHo lobby us  
Hear 'em all screamin then it's probably is  
But I can't blame females, females can't really ignore something this obvious  
What you really expect when I strut through town  
Two or three days I shut you down  
Chilin' wit' the homie Trey Songz  
You call him the prince he rep two up two down  
Anyone I know get used to me  
I'm far from the man that I used to be  
I don't ever really kick game  
I know you find it impressive whenever you introduced to me  
'Cause I'm a good dude who take pride in that  
Need good lovin' I'm providing that  
Understand that I'm worldwide  
You get it how you want it wherever you be residing at  
'Cause I do things from the M-town  
To the UK  
From Spain back out to Texas  
This album's for my fans  
But, yo, this hook is for my exes  
This one is for you girl  
You know who you are girl  
You only show your face  
'Cause you know that I'm a star girl  
What you trying to to make it  
Don't ever mistake it  
Girl my time is limited and I ain't trying to waste it all on you  
You had a chance now It's gone  
Ooh, you had a man now you don't

Back to the basics, I think I made it  
Ladies make some noise if you wanna be my replacement girl  
Ain't ya never seen a youngin' so fly  
Lookin for someone your type  
I done left behind the love of my life  
Tryin' to find another one tonight  
And if it's you baby, let yourself be seen  
Don't matter skirts, dresses or jeans  
I got that work, know what I mean  
And I'm flexin' on my ex if you know what mean  
This one is for you girl  
You know who you are girl  
You only show your face  
'Cause you know that I'm a star girl  
What you trying to to make it  
Don't ever mistake it  
Girl my time is limited and I ain't trying to waste it all on you  
You had a chance now It's gone  
Ooh, you had a man now you don't  
Back to the basics, I think I made it  
Ladies make some noise if you wanna be my replacement girl  
Check this out  
From the that she get picked for some take out  
Until they slip up and break out  
But it's another story over here at Drake's house  
Cause I'm dripped up and I'm drapped out  
And I'm lean back, scoping  
Looking for a woman that I should wife  
Who got just the right amount of loyalty  
Yeah but is still anticipating us living the good life  
We go LA, VA, NY, TO  
Sunshine in that heat stroke  
And them fur hoods in that deep snow  
We have breakfast in the bedroom  
Break bread downstairs in the basement  
Since Jay and Kelz ain't doing the thing no more  
Guess me and the boy Songz is the replacement  
This one is for you girl  
You know who you are girl  
You only show your face  
'Cause you know that I'm a star girl  
What you trying to to make it  
Don't ever mistake it  
Girl my time is limited and I ain't trying to waste it all on you  
You had a chance now It's gone  
Ooh, you had a man now you don't  
Back to the basics, I think I made it  
Ladies make some noise if you wanna be my replacement girl
