

# Never Together (But Close Sometimes)

**Jonathan Edwards**

There's a song in your eye that's as blue as the sky  
and just looking at you keeps me singing it  
there's this music and wine don't it sparkle and shine  
and it's one for your money and two to quit

And every day it's getting less hard to be  
never together but close sometimes  
windows and rain  
blue birds and planes  
they're never together but they're close sometimes

A girl in New York once captured my heart  
but her winter was cold so I had to split  
Sweet Tennessee spoke softly to me  
Home is your home when you're loving it.

And every day it's getting less hard to be  
never together but close sometimes  
windows and rain  
blue birds and planes  
they're never together but they're close sometimes

There's life in these bars when you make believe stars  
people and loneliness passing time  
a world full of fools sitting glued to that stool  
drowning their sadness in rose wine

And every day it's getting less hard to be  
never together but close sometimes  
windows and rain  
blue birds and planes  
they're never together but they're close sometimes  
never together but they're close sometimes
