

# We Don't Have To Take Our Clothes Off

Ella Eyre

Not a word, from your lips  
You just took for granted that I want to skinny dip.  
A quick hit, that's your game.  
But I'm not a piece of meat, stimulate my brain, no.  
The night is young, so are we.  
Let's just get to know each other, slow and easily, oh.  
Take my hand, let's hit the floor.  
Shake our bodies to the music.  
Maybe then you'll score. So come on baby, won't you show some class  
Why do you have to move so fast?  
We don't have to take our clothes off  
To have a good time  
Oh no  
We could dance and party all night  
And drink some cherry wine, oh Just slow down if you want me  
A man wants to be approached cool and romantically, oh oh  
I've got needs, uh  
Just like you  
And if the conversation's good  
Vibrations through and through, oh So come on baby, won't you show some class  
Why do you have to move so fast?  
We don't have to take our clothes off  
To have a good time  
Oh no  
We could dance and party all night  
And drink some cherry wine, oh oh And we don't have to take our clothes off  
To have a good time  
Oh oh  
We could dance and party all night  
And drink some cherry wine, oh hey  
Hey hey  
Oh, hey  
Oh  
We don't have to take our clothes off, no  
To have a good time  
Oh oh  
And we could dance and party all night, oh  
And drink some cherry wine, oh We don't have to take our clothes off, no  
To have a good time

Oh oh  
We could dance and party all night  
And drink some cherry wine, oh
