[English]

Your deformed self  
The Inside Mind  
The deformed red beauty  
It can still be filled

Yes, it can still

The gentle voice that I arrived at, lead the way as I wandered  
Burning with the decaing trees in the parade

The right and the left still remain  
Love it without caring about how it looks

Is it love in the right hand?  
What?s in the left hand?

I AM PRETTY

Image  
The sunset waits  
My locked-up heart sways back and forth  
Tomorrow, I am still

In the time of agitation is faint hope  
Your dirty lies
