

Brand New Cadillac

Wayne 'The Train' Hancock

Drive!
Drive! My baby drove up in a brand new Cadillac
Yes she did
My baby drove up in a brand new Cadillac
She said, "Hey, come here, Daddy
I ain't never comin' back!" Baby, baby, won't you hear my plea?
Yea, c'mon, sugar
Just c'mon back to me
She said, "Balls to you, Big Daddy"
Yea Baby, baby, won't you hear my plea?
Oh, oh c'mon, just hear my plea
She said, "Balls to you, Daddy"
She ain't comin' back to me
Oh God Baby, baby, drove up in a Cadillac
I said, "Jesus Christ, where'd you get that Cadillac?"
She said, "Balls to you, Daddy"
She ain't never comin' back She ain't, she ain't comin' back
She ain't never comin' back
She ain't never comin' back
She ain't never comin' back!
