Love Overdue

Keith Richards

Listen darling
Who's gonna hold and squeeze me tight?
Now that she's gone out of my life
Who's gonna make me feel the way she used to do
Now that my love is overdue
Now that my love is overdue
Well, I'm all alone in the wilderness
Searching to find some peace and rest
She wasn't the best girl
But she brought happiness into my world
And now I'm a prisoner of loneliness, yeah
And I'm a prisoner of loneliness
Now I'm a prisoner
That's what I'm
Now I'm a prisoner
Now I'm a prisoner
Of loneliness
Listen darling
Who's voice is gonna say goodnight
Now that she's gone out of my sight
Who's gonna tell me lies and let me think they're true
Now that my love is overdue
Now that my love is overdue
Now that my love is overdue
I don't know just what to do honey, yeah
Stop makin' me blue
Stop it baby, yeah
Stop makin'
I want you to stop making me blue
Stop it baby
Stop it
Stop it
Stop it, baby
