Can We Go Back

Shaliek Rivers

(Lets go)
I see you hanging onto him.
You're trying to pretend
It's all over your face, you miss me.
You see me hanging onto her.
Its obvious it hurts.
When five minutes ago, you kissed me.
And I'm the one that's closer to your heart (Your heart)
So tell me why we're keeping it a secret.
And she will never be the girl you are (You are)
Do you remember when you used to be theif'n.
Can we go back; I missed when it was me and you.
Can we go back; and tell me what we gotta lose.
Can we go back in time, we could just stay there forever.
Lets come back together.
Baby, can we go back.
(Ooh whoa. Ooh whoa)
You've been living in my head because my heart is dead.
My soul seems to be running on empty.
And we can bring it back to life.
With one look in your eyes.
It tells me it wasn't the ending.
Girl -
See I'm the one that's closest to your heart (Your heart)

So tell me why we're keeping it a secret.
And you told me that we'd never be apart (Never, no)
So here's your chance to show me that you mean it.
Can we go back; I missed when it was me and you.
Can we go back; (ohh) tell me what we gotta lose.
Can we go back in time, we could just stay there forever.
Lets come back together.
Baby, can we go back.
(Back, back, back, back, back)
I can't live without you, girl I tried.
It's obvious I need you in my life.
I can't live without you, girl I tried.
It's obvious I need you in my life.
Can we go back; I missed when it was me and you.

Can we go back; and tell me what we gotta lose.
Can we go back in time, we could just stay there forever.
Lets come back together.
Baby, can we go back.
I can't live without you, girl I tried (Can we go back)
It's obvious I need you in my life (Can we go back)
I can't live without you, girl I tried.
It's obvious I need you in my life.
(Can we go back)
I can't live without you, girl I tried.
It's obvious I need you in my life.
