Disappear Fear

you just look so good , you got my boxers on eheh ,
Standing in the kitchen looking on the stove nothing but my boxers with high heels on
girl you look so good [you look so good] you look so good
you got the radio on playing your song doing your dance
get it baby gonee, cause you look so good [look so good] , you look so good
i can sit here and watch ya all day , got me lost for words what can i say girl ,
i aint never seen my clothes fit , nothin like that that that that that noo
you aint gotta wear no laundry , never let you go nah urhh no way girl
dont stop keep doing bring it back back back back back
she wanna wear my boxers and it looks so sexy , so i aint gonna stop her
baby girl so fly , staying on my mind , but how can i stop her
when she look so sexy , wearin my boxers, wearin my boxers
gogo put em on [go put em on girl] go put em on [go put em on girl]
and when she got em on go do your dance [go do your dance girl]
go do your dance [go do your dance] ,
standing in the mirror , stunnin like a model , body full of curves , something like a bottle , you look so good [look so good] you look so good , walking all round the crib ,

baby girl so fly , staying on my mind , but how can i stop her
when she look so sexy , wearin my boxers, wearin my boxers

the formen dogs have just tryna put my pawls on , pretty face , and the skin all soft
wouldnt mind if you let it fall off ,
she wanna wear my boxers and it looks so sexy , so i aint gonna stop her
baby girl so fly , staying on my mind , but how can i stop her

when she look so sexy , wearin my boxers, wearin my boxers

and when she got em on go do your dance [go do your dance girl]
go do your dance [go do your dance] ,
