Heartbeats

Nine Lashes

Everyone who can love
Everyone who can hide
Is beating inside of me
Every breath is a gift
Every pulse is alive
And it's burning inside of you
I feel your blood rush through my veins
All the hope and all the shame
You feel my pain touch every nerve
You see we're all the same
Everyone cries
Everyone bleeds
Everyone falls down,
We're the same underneath
Everyone loves
Everyone breathes
Everyone's heartbeats
Everyone's heartbeats
Everyone's heartbeats
Everyone's heartbeats
I can see my reflection when I look in your eyes
And they're burning right though me
When a look is a gun, and a tongue is a knife
Can I still get through to you
I feel your blood rush through my veins
All the hope and all the shame
You feel my pain touch every nerve
You see we're all the same
Everyone cries
Everyone bleeds
Everyone falls down
We're the same underneath
Everyone loves
Everyone breathes
Everyone's heartbeats
Everyone's heartbeats
Everyone's heartbeats
You can run
I can hide

But you'll always be a part of me
We can break
We can hold
In the end we're just the same underneath
Everyone cries
Everyone bleeds
Everyone falls down
We're the same underneath
Everyone loves
Everyone breathes
Everyone's heartbeats
Everyone's heartbeats
Everyone cries
Everyone bleeds
Everyone falls down
We're the same underneath
Everyone loves
Everyone breathes
Everyone's heartbeats
Everyone's heartbeats
Everyone's heartbeats
Everyone's heartbeats
