The Journey

Lea Salonga

Half the world is sleeping,
Half the world's awake,
Half can hear their hearts beat,
Half just hear them breakI am but a traveler
Been most everywhere
Ask me what you want to knowWhat a journey it has been
And the end is not in sight
But those stars are out tonight
And they're bound to guide my wayWhen they're shining on my life
I can see a better day
I won't let the darkness in
What a journey it has beenI have been to sorrow
I have been to bliss
Where I'll be tomorrow
I can only guessThrough the darkest desert
Through the deepest snow
Forward, always forward I goWhat a journey it has been
And the end is not in sight
But those stars are out tonight
And they're bound to guide my wayWhen they're shining on my life
I can see a better day
I won't let the darkness in
What a journey it has beenForward, always forward
Onward, always up
Catching every drop of hope
In my empty cupWhat a journey it has been
And the end is not in sight
But those stars are out tonight
And they're bound to guide my wayWhen they're shining on my life
I can see a better day
I won't let the darkness in
What a journey it has been
What a journey it has been
