Pain, Walk With Me

Lullacry

Today is a good day to end it allHow it all came to this?
I don't know, fool I was to believe
I still can remember
All the things that made me feel so aliveDid I deserve it?
This pain walks with me
Walks with me forever
Walks with me together
Walk with meIt took you a lifetime
To do this to me, no, no, no, no
Today is a good day to end it allDid I deserve it?
This pain walks with me
Walks with me forever
Walks with me together
Walk with me, walk with meForever, pain walks with me
Together, pain walk with meForever, together, pain walks with me
Together, forever, pain walk with me
Walk with me
