

# Sacrifice

Adam Lambert

Tie up my hands tonight  
Don't let me go  
Binding my eyes from sight  
Binding my soul Take hold of me  
Take hold of me  
Sacrifice  
Sacrifice  
Sacrifice  
Sacrifice Throw bones on the fire  
Throw down control  
Laying down the law  
Lay me down slow Take hold of me  
Take hold of me  
I give myself unto thee  
Sacrifice  
Sacrifice  
Sacrifice  
Sacrifice I'm your one and only sacrifice  
I'm your one and only sacrifice  
Binding my soul  
Don't let me go  
I'm your one and only sacrifice  
Don't let me go Sacrifice  
Sacrifice  
Sacrifice  
Sacrifice  
Sacrifice
