Globalisolation

Twin Atlantic

I'm young and I'm restless, and so hard to please,
I'm so defensive, what do you mean?I never wanna wake up, I wanna be invisible, I never wanna talk,
I never wanna grow up, we used to be together, now all we are is lostSo I wanna be an original,
I finished with fitting someone else's mould,
My world is getting smaller,
I know it's at the cost of theGlobalisolation, Globalisolation
Globalisolation, Globalisolation
This isn't a lifestyle, this isn't a trend,
A new beginning always starts at an endI never wanna wake up, I wanna be invisible, I never wanna talk,
I never wanna grow up, we used to be together now all we are is lostSo I wanna be an original,
I finished with fitting someone else's mould,
My world is getting smaller,
I know it's at the cost of theGlobalisolation, Globalisolation
Globalisolation
I'd rather be alone that be a part of something falseI'd rather be alone (I'd rather, I'd rather) I'd rather be alone than be a part of something falseYeah I wanna be an original,
I finished with fitting someone else's mould,
My world is getting smaller,
I know it's at the cost of the
Globalisolation, Globalisolation
Globalisolation
I'd rather be alone that be a part of something false
Globalisolation, Globalisolation

I'd rather be alone that be a part of something false
