

Never Underestimate a Girl

Vanessa Hudgens

It takes a girl to understand
Just how to win, she knows she can
I think it's clear who wears the pants
What boy could stand a chance? She makes it look easy
In control completely
She'll get the best of you every single time
Thought by now you'd realize you should Never underestimate a girl
Gets anything she wants
She's never gonna stop
You know it, we know it Never underestimate a girl
She's always got a plan
The world is in her hands She got the lipstick, puts it together
Boys have it good
But girls have it better watch out
Your secretary might end up your boss
Whether you really like it or not She makes it look easy
In control control completely
She'll get the best of you every single time
That's right, no, no, no, no, you should Never underestimate a girl
Gets anything she wants
She's never gonna stop
You know it, we know it Never underestimate a girl
She's always got a plan
The world is in her hands She might be the president
Make all the rules
Don't try to win the game
You're only gonna lose Now girls, you know we got it
Got it going on
We've been trying to tell them all along Listen up guys
Take a little sound advice
That's right, that's right
No, no, you should Never underestimate a girl
Gets anything she wants
She's never gonna stop
You know it, we know it Never underestimate a girl
She's always got a plan
The world is in her hands Never underestimate a girl
Gets anything she wants
She's never gonna stop

You know it, we know it Never underestimate a girl
She's always got a plan
The world is in her hands
