

Like a Drug (Sha La La La)

Swans

(SHA LA LA LA) (Gira, Westberg, Parsons, Kizys)

Out of our head

Out of our mind

Into your hands

Into your eye

Warm in your mouth

Warm in your mind

Warm in your belly

Just like a drug

Sha la la la

Cool on your tongue

Soft in your hands

Down on the floor

Red in your mind

Out of our head

Out of our mind

Into your head

Just like a drug

Sha la la

Sha la la la

Hard in your hands

Hard in your mind

Hard in your belly

Hard in your face

Down on the floor

Hard in your mind

Into your head

Just like a drug

Sha la la la

Sha la la la
