

Love and War

Drowning Pool

Promise that you always will
Keep candles lit on the windowsill
You know I'll be comin' home You know I never wanted to go away
But what am I supposed to say
When I hear the sounds of the trumpet call
Who says All is fair in love and war Your pictures kept close to my heart
Letters all but fall apart
Each night I read them over again You know I never wanted to go away
But what am I supposed to say
When I hear the sounds of the trumpet call
Who says You know I never wanted to go away
I swear it's war
