

# Psalms 23

## India.arie

I've seen: money come between my best friend and me  
I've seen: old friend become new enemies  
I've been: through a couple of litigations  
I've been: through character assassination.

They try to put this stick in between my wheels  
But they can't stop my motivation (nothing will)

Though I walk through the valley where the shadow of death is  
I fear no evil cause I'm protected.

No weapon formed against me shall prosper  
Cause I'm walking with the heavenly father  
And I do believe I'm going to prosper  
Cause I'm walking with the prayers of my mother.

[Repeat: x2]

You won't get the best of me even though you broke my heart  
I'm gone pick up the pieces.

I was thinking: maybe this isn't the life for me.  
I was thinking: maybe I should leave the music industry  
I've been: betrayed by the people I trusted  
I've been: oh f\*ck, seriously disgusted.

They try to put this stick in between my wheels  
But they can't stop my motivation (nothing will)

Though I walk through the valley where the shadow of death is  
I fear no evil cause I'm protected.

No weapon formed against me shall prosper,  
Cause I'm walking with the heavenly father,  
And I do believe I'm going to prosper  
Cause I'm walking with the prayers of my mother.

[Repeat: x2]

You won't get the best of me even though you got my money  
I'm gone pick up the pieces.

You can't get the best of me  
Not to be less than me, but to be more.  
So, don't question me,  
I came and I conquered, I soared  
To new heights and still I explored  
In my fight to survive,  
Lyte is too right,  
Keep my eyes on new sights  
I continue to plight  
So, when try to hurting me  
Even deserting me,  
Know that I am designed to overcome adversity,  
Want to bring out the worst in me, it won't happen!  
Because I take responsibility for my actions.  
My tenacity well it has to be everlasting,  
Cause even when comes to backstabbers, I'm laughing!

You won't get the best of me even though broke my heart  
I'm gone pick up the pieces.

[Repeat: x2]

You won't get the best of me even though you got my money  
I'm gone pick up the pieces.

[Repeat: x4]

You won't get the best of me because by the grace of god  
I'm gone pick up the pieces.
