I Melt With You

Modern English

Moving forward using all my breath
Making love to you was never second best
I saw the world thrashing all around your face
Never really knowing it was always mesh and laceI'll stop the world and melt with you
You've seen the difference and it's getting better all the time
There's nothing you and I won't do
I'll stop the world and melt with you(You should know better)
Dream of better lives the kind which never hate
(You should see why)
Dropped in the state of imaginary grace
(You should know better)
I made a pilgrimage to save this humans race
(You should see why)
What I'm comprehending a race that long gone bye(I'll stop the world) I'll stop the world and melt with you
(I'll stop the world) you've seen the difference and it's getting better all the time
(Let's stop the world) there's nothing you and I won't do
(Let's stop the world) I'll stop the world and melt with youThe future's open wide(Let's stop the world) I'll stop the world and melt with you
(Let's stop the world) I've seen some changes but it's getting better all the time
(Let's stop the world) there's nothing you and I won't do
(Let's stop the world) I'll stop the world and melt with youThe future's open wideHmmm hmmm hmmm
Hmmm hmmm hmmm hmmm
Hmmm hmmm hmmm
Hmmm hmmm hmmm hmmmI'll stop the world and melt with you (let's stop the world)
You've seen the difference and it's getting better all the time (let's stop the world)
There's nothing you and I won't do (let's stop the world)
I'll stop the world and melt with you (let's stop the world)
I'll stop the world and melt with you (let's stop the world)
I'll stop the world and melt with you (let's stop the world)
