Team A

Bloc Party.

How many times,
Do i Have to tell you,
That these are my things (That these are my things),
Been running your mouth,
And the people been listening,
'said If you wanna throw down,
We can go downtime,
Any time, any damn time,
Any time of the week.
See I know that you're hating,
Anticipating a breakthrough,
I been there, done that, over with,
Ain't nothing you can teach me,
Ain't got no time for Le Baron,
Ain't got no time for The Alibi,

No we ain't cool boy, don't even try,
(I'm going to ruin your life) x3
See we ain't at school, snitches get stitches,
You might be fast boy but I'm faster than you,
So let's make this clear, no misunderstandings,
Better watch where you're walking and watch what you say,
Any time, any damn time, any time of the week.
See I know that you're hating,
Anticipating a breakthrough.
I been there, done that, over with,
Ain't nothing you can teach me,
Ain't got no time for Yo Yo,
ain't got no time for The Groucho,
No we ain't cool and you don't even (Don't Even) know
I'm gonna ruin your life! x3
