Get Me To the World On Time (Remastered)

The Electric Prunes

Here I go (higher, higher)
Here I go (higher, higher)
Here I go, go, go, go, go
You gotta get me to the world on time
You gotta get me to the world on timeThe minute you walk in the room I break into a sweat
My hands begin to shake so bad I can't light my cigarette
Then you start walkin' towards me and my cool comes all undone
If I could get my feet to move I'd turn around and runMy pulse is beatin' faster
And I'm headin' for disasterHere I go (higher, higher)
Here I go (higher, higher)
Here I go
Get me to the world on time
You gotta get me to the world on timeOne kiss from you and my whole body starts to actin' strange
You shake up all my hormones, you put me through a change
This chemical reaction isn't easy to refine
You drive me to distraction, you disturb my peace of mindYou got me spinning like a top now
And I don't know how to stop nowIs this what loves all about
Lately I feel so without
Wild sensations
Sweet frustrations
You get me goin' and there's no slowin' me downHere I go
Whoa here I go, go
Whoa, Here I go, go, go
