

Espionage (feat. Nena Marcella)

Classy Silhouette

Hook:

What you going to do
When they come for you
When they come for you
What you going to do
When they come for you

When they come for you Backgrounds:

What makes you think I need you
What Makes you think I want you
What makes you think I'm gonna

Do what it takes to please you Classy Silhouette:

Hood rats jail broke my phone
Couldn't come up with ideas of their own
Sent fake cops to come and bug my home
Paid hackers to put cookies in my chrome
Couldn't make good music on their own
Satellites zooming in on my home
Somebody's listening they're in my phone
Feds next door trying to spy
Fake bird drones all in the sky
Everywhere I go there's prying eyes
Can't leave home without a disguise
Facebook page is loaded with hackers
Friend requests blocked by cyber attackers
Circle is closed No new friends
Everything I wear is the latest trend
Now everybody thinks I'm trying to take them down
But I'm just a Queen trying to wear my crown
But the thing is they wouldn't be tripping
If they never cracked the code
They shouldn't have been listening Hook:

What You going to do
When they come for you
When they come for you
What you going to do
When they come for you
When they come for you
What you going to do
When they come for you

When they come for you Backgrounds:

What makes you think I need you

Strange people showing up places

With fake smiles on their faces

Foreign accents different races

Bugging my place

Building up cases

Conversations being taped

Cellphone hacked I'm being cyber raped

Trying to shake the spies that's why I'm late

Private detectives they on my date

Couldn't get a waiter

Feds served my my plate

Followed by the vultures they just can't wait

Cleaned my house to cut a clean slate

The dime they dropped on me is fake

Marked my car you got the wrong make

I got a alibi in every state What makes you think I need you
