In Circles

Skyway Flyer

Meet me there, in the blue
Where words are not, feeling remains
Sincerity, trust in me
Throw myself into your doorI go, in circles, running down
In circles, I'm running down
In circles, running down
In circles, running downMeet me there, in the blue
Where words are not, feeling remains
And I dream, to heal your wounds
But I bleed myself, I bleed myselfI go, in circles, running down
In circles, I'm running down
In circles, running down
In circles, running downIn circles, in circles
I go, in circles, running down
In circles, I'm running down
In circles, running down
In circles, running down
