

# Born to Shine

TINI

Every dream has a heartbeat  
Listen to it, listen to it  
And it won't let you sleep  
It's whispering, whispering  
You wake and it's in your breathe  
It's everything, everything  
You know it's meant to be  
And it's gonna set you free  
There's a light in your eyes and it's magic  
Everybody's gonna see that you have it  
There's a voice saying "Gonna make it happen"  
Can't stop it, can't stop it  
Go go, no never give up  
And no no, everything that you touch  
Becomes alive right before your eyes  
You were born to shine (Born to sing, born to try  
Born to dance, born to rise  
Born to be who you are  
Born to love) You were born to shine  
Like the sun you will always be  
Rising, rising  
When something looks out of reach  
You keep trying, trying  
You've got a spirit inside of you  
It ain't dying, dying  
It goes on and on keeps you strong  
When you're like the sun  
There's a light in your eyes and it's magic  
Everybody's gonna see that you have it  
There's a voice saying "Gonna make it happen"  
Can't stop it, can't stop it  
Go go, no never give up  
And no no, everything that you touch  
Becomes alive right before your eyes  
You were born to shine (Born to sing, born to try  
Born to dance, born to rise  
Born to be who you are  
Born to love) Born to run, born to fly  
Born to be more than alive  
Find your voice  
Find your life  
Find that you were born to shine  
There's a light in your eyes and it's magic

Everybody's gonna see that you have it  
There's a voice saying gonna make it happen  
Can't stop it, can't stop it  
Go go, no never give up  
And no no, everything that you touch  
Becomes alive right before your eyes  
You were born to shine(Born to sing, born to try  
Born to dance, born to rise  
Born to be who you are  
Born to love)Born to shineBorn to sing, born to try  
Born to dance, born to rise (yeah)  
Born to be who you are  
Born to loveYou were born to shine
