

Rain (Pop Mix)

Creed

Can you help me out
Can you lend me a hand
It's safe to say
That I'm stuck again Trapped between this life
And the light
I just cant figure out
How to make it right A thousand times before
I've wondered if there's something more
Something more I feel it's gonna rain like this for days
So let it rain down and wash everything away
I hope that tomorrow the sun will shine
With every tomorrow comes another life I feel it's gonna rain
For days and days I feel it's gonna rain I've tried to figure out
I can't understand
What it means
To be whole again
Trapped between the truth
And the consequence
Nothing's real
Nothing's making sense A thousand times before
I've wondered if there's something more
Something more I feel it's gonna rain like this for days
So let it rain down and wash everything away
I hope that tomorrow the sun will shine
I feel it's gonna rain like this, rain like this, rain like this Fall down
Wash away my yesterdays
Fall down
So let the rain fall down on me I feel it's gonna rain like this for days
Let it rain down and wash everything away
I hope that tomorrow the sun will shine I feel it's gonna rain like this, rain like this (so let the rain fall down)
I feel it's gonna rain like this, rain like this (so let the rain fall down)
I feel it's gonna rain like this I feel it's gonna rain
