They Just Believe

Josh Wilson

You say with a mustard seed of faith
That I can make a mountain move
But sometimes I am so afraid
Even though I know it's trueBecause my faith feels just like doubt
I don't know what to pray right nowOh, I believe
Please help my unbelief
Jesus, give me grace
To trust what I can't seeYour ways are not my own
Some things I'll never know
But You say, blessed are the ones who never see
They just believeSo now with a heart full of questions
I come to You just as I am
All my weakness, all my fears
All I've run from all these years
In the middle of my doubts
Somehow still I'm finding outI believe
Please help my unbelief
Jesus, give me grace
To trust what I can't seeYour ways are not my own
Some things I'll never know
But You say, blessed are the ones who never see
They just believe(Jesus, I believe)
They just believe
(Help my unbelief)
They just believe
(Jesus, I believe)
They just believe
(Help my unbelief)When my faith feels just like doubt
I believe, yeah, oh, I believeOh, I believe
Please help my unbelief
Jesus, give me grace
To trust what I can't seeYour ways are not my own
Some things I'll never know
But You say, blessed are the ones who never see
Oh, You say, blessed are the ones who never see
They just believe(Jesus, I believe)
They just believe
(Help my unbelief)
They just believe

(Jesus, I believe)
Help me believe
(Help my unbelief)
