

Cheer Up London

Slaves

Oh, you!Put another 0 in your paycheck
Are you done digging your grave yet?
 Put another 0 in your paycheck
 Are you done digging your grave?
 Put another 0 in your paycheck
 Are you done digging your grave yet?
 Put another 0 in your paycheck
Are you done?You're dead, already, dead, dead, already-ready
 Dead, already, dead, dead, already-ready
 Dead, already, dead, dead, already-ready
Dead, already, deadPut another 0 in your paycheck
 Are you done digging your grave yet?
 Put another 0 in your paycheck
 Are you done digging your grave? What!
 Put another 0 in your paycheck
 Are you done digging your grave yet?
 Put another 0 in your paycheck
Are you quite done?You're dead, already, dead, dead, already-ready
 Dead, already, dead, dead, already-ready
 Dead, already, dead, dead, already-ready
 Dead, already, deadCheer up, London
 It's not that bad
 Cheer up, London
 You're already dead and it's not that bad
 Cheer up, London
 It's not that bad
 Cheer up, London
 It's really really not that bad, is it?
 How could it be
 So bad
When you're already dead?You're dead, already, dead, dead, already-ready
 Dead, already, dead, dead, already-ready
 Dead, already, dead, dead, already-ready
 Dead, already, deadCheer up London
 Mind The Gap
 Thank you
 Good night, see ya
