

# Contagious

Avril Lavigne

When you're around I don't know what to do  
I do not think that I can wait  
To go over and to talk to you  
I do not know what I should say  
And I walk out in silence  
That's when I start to realize  
What you bring to my life  
Damn, this guy can make me cry  
It's so contagious  
I cannot get it out of my mind  
It's so outrageous  
You make me feel so high all the time  
They all say that you're no good for me  
But I'm too close to turn around  
I'll show them they don't know anything  
I think I got you figured out  
So I walk out in silence  
That's when I start to realize  
What you bring to my life  
Damn, this guy can make me smile  
It's so contagious  
I cannot get it out of my mind  
It's so outrageous  
You make me feel so high  
I'll give you everything  
I'll treat you right  
If you just give me a chance  
I can prove I'm right  
It's so contagious  
I cannot get it out of my mind  
It's so outrageous  
You make me feel so high  
It's so contagious  
I cannot get it out of my mind  
It's so outrageous  
You make me feel so high all the time
