# Two Weeks Notice

## Fantasia Barrino

(Verse 1)
The love that me and you shared expired
So there will be no renewing our contracts
And I aint got nothing since I?ve been hired
So I cant take you back
I done gave love and aint got no commission
So give me one reason why I should stay here
I thought compared to all the other guys you were different
But I cried the same old tears
I cant take it, I cant do it no
(Chorus)
This is my two week notice
I resign my position because
You aint treating me right
I been working on the job
Just busting my ass
Pleasing you everyday and night
I get no raises or no benefits
You stay with this establishment
Im gone, this is my two week notice

Verse 2

I?ll be a fool if I took u back boy
Even though I love u I cant be that dumb
Cause I can do bad all by myself
I don?t need no help
The days over and done
Its just a matter of if I leave you now
Maybe you will recognize the good you have
Aint it ashame that u took advantage of me
And you should not be mad
I don?t want the job no more
She can have it
(Chorus)

Bridge:
Packing up (and I walking out)
Aint no stressing u (cause its over)

Must be Gone (as we finished)
Because I did my best (now its ended)

(Chorus)
