

# Suspicion

Elvis Presley

Every time you kiss me, I'm still not certain that you love me  
Every time you hold me, I'm still not certain that you care  
Though you keep on saying you really, really, really love me  
Do you speak the same words to someone else when I'm not there  
Suspicion torments my heart  
Suspicion keeps us apart  
Suspicion why torture me  
Every time you call me and tell me we should meet tomorrow  
I can't help but think that you're meeting someone else tonight  
Why should our romance just keep on causing me such sorrow  
Why am I so doubtful whenever you are out of sight  
Suspicion torments my heart  
Suspicion keeps us apart  
Suspicion why torture me  
Darling, if you love me, I beg you wait a little longer  
Wait until I drive all these foolish fears out of my mind  
How I hope and pray that our love will keep on growing stronger  
Maybe I'm suspicious 'cause true love is so hard to find  
Suspicion torments my heart  
Suspicion keeps us apart  
Suspicion why torture me
