My How the Time Goes By

Chad & Jeremy

Each time I leave you it's like a lifetime
Love is the reason why
But when I'm here to hold you
My how the times goes byI dont remember what time the clock said
Don't even want to try
You say it's past your bedtime
My how the time goes byI know I'm gonna hate it leaving you
Where did the hours fly
I really don't know what I'm gonna do
Oh my, oh myKiss me again girl, kiss me and then girl
Kiss me a last goodbye
Wish I could stay forever
My how the time goes byI know I'm gonna hate it leaving you
Where did the hours fly
I really don't know what I'm gonna do
Oh my, oh myKiss me again girl, kiss me and then girl
Kiss me a last goodbye
Wish I could stay forever
My how the time goes byWish I could stay forever
My how the time goes
My how the time goes
My how the time goes by
