

# Living Room (live)

## Tegan and Sara

My windows look into your living room  
I spend the afternoon on top of you  
I wonder what it is  
That I did to make you move in Across away from me  
I hope I never figure out  
Who broke your heart  
And if I do, if I do I'd spend all night losing sleep  
I'd spend the night and I lose my mind  
Well I'd spend the night and I'd lose my mind  
My windows look into your bathroom Well I spend the evening watching  
You get yourself clean  
I wonder why it is  
That they left this bathroom so unclean So unlike me  
I hope I never figure out  
Who broke your heart  
And if I do, if I do I'd spend all night losing sleep  
I'd spend the night and I lose my mind  
I'd spend the night and I lose my mind  
I'd spend all night losing sleep I'd spend the night and I lose my mind  
If I spend the night then I lose my mind  
Well I hope I never figure out who broke your  
Heart And baby if I do  
Well I hope I never figure out who broke your  
Heart  
Baby if I do Well I'd spend all night losing sleep  
I'd spend the night and I lose my mind  
If I spend the night then I lose my mind  
Spend all night losing sleep I'd spend the night and I lose my mind  
If I spend the night then I lose my mind  
Spend all night losing sleep  
I'd spend the night and I lose my mind  
If I spend the night then I lose my mind
