

# Heat Of The Moment

Đ-Ñ€Đ, Đ° ĐšĐ°Ñ€Ñ, Đ<sup>1/4</sup>Đ° Đ<sup>1/2</sup>

I never meant to be so bad to you  
One thing I said that I would never do  
A look from you and I would fall from grace  
And that would wipe the smile right from my face  
Do you remember when we used to dance?  
And incidents arose from circumstance  
One thing lead to another we were young  
And we would scream together songs unsung  
It was the heat of the moment  
Telling me what my heart meant  
The heat of the moment showed in your eyes  
And now you find yourself in '82  
The disco hot spots hold no charm for you  
You can concern yourself with bigger things  
You catch a pearl and ride the dragon's wings  
'Cause it's the heat of the moment  
Heat of the moment  
The heat of the moment showed in your eyes  
And when your looks are gone and you're alone  
How many nights you sit beside the phone  
What were the things you wanted for yourself?  
Teenage ambitions you remember well  
It was the heat of the moment  
Telling me what your heart meant  
The heat of the moment showed in your eyes  
Heat of the moment  
Heat of the moment  
Heat of the moment showed in your eyes  
Heat of the moment  
Heat of the moment  
Heat of the moment  
Heat of the moment
