Such a Simple Thing

Ray LaMontagne

Tell me what you're feeling
I can take the pain
Tell me that you mean it
That you won't leave againTell me what your heart wants
Such a simple thing
My heart is like paper
Yours is like a flameI can't make you see
If you don't by now
I'll get through these chains
Some how, some how
Take it if you want it
Im so tired i just don't care
Can't yous see how much you hurt me?
It's like I wasn't thereTell me what your heart wants
Such a simple thing
My heart is like paper
Yours is like a flameMy heart is like paper
Yours is like a flame
I can't make you see
If you don't by now
I'll get through these chainsSome how
Some how
Tell me what your heart wants
Such a simple thing
My heart is like paper
Yours is like a flame
My heart is like paper
Yours is like a flame
